Guide: Uploading Sketches to the USkO Flickr Group

Step 1: Log in to your Flickr account and navigate to your Photostream.

Step 2: Click on the cloud icon along the banner at the top right.

Step 4: To add an informational caption to your sketch (e.g., title, date, location, media used, motivation), click the bold file name in the editing panel (a) and click on "Add a description" (b).

	Owner settings - None (All rights reserved) Visible to everyone				

Step 3: Select photos to upload.

Step 5: Click the "Add to groups" section (a) along the left panel. If you have already requested to join the USkO Flickr Group and been accepted, the option of adding this photo directly to the USkO group Photostream will appear. Click on the relevant group (b) and a green checkmark will appear. Then press "Done" (c).

Step 6: Click the blue "Upload X Photo(s)" button (a) and again click "Upload" (b)".

Step 7: The image of your sketch is now in your own Photostream <u>and</u> the USkO Group Photo Pool. Enjoy and comment on each other's work!

Alternative Uploading Process for USkO Flickr Group

Follow the previous guide through Step 4 and then directly upload that image to your Photostream by pressing "Upload X Photo(s)". Next, follow these instructions.

Step 5: Navigate to the USkO Flickr Group homepage.

Step 6: Click "Add photo" in blue.

Step 7: Click on the images in your Photostream that you would like to add to the USkO Flickr Group Photo Pool.
